

ABOUT MNIT

Malaviya National Institute of Technology (MNIT), Jaipur is one of the NITs established by Ministry of Human Resource Development, Government of India. The Institute, earlier known as MREC, was established in 1963 as a joint venture of the state and central Governments. Later in 2002, the college was given the status of National Institute of Technology and on August 15, 2007, proclaimed Institute of National Importance through Act of Parliament. MNIT campus spreads over 325 acres of lush green area in the prime location of Jaipur city. The Institute has completed its Golden Jubilee year 2012-13 and as a part of year-long celebrations of its 50 years of teaching and excellence, various academic activities were organized. At present, in addition to research, consultancy and developmental activities, the Institute offers UG and PG (M. Tech./M.Sc. & Ph.D.) level courses to about 5000 students in almost all leading fields of engineering, technology, management and sciences.

HOW TO REACH MNIT

Jaipur is well connected by road, rail and air services. MNIT is situated on Jawaharlal Nehru (JLN) Marg and is about 9 kms from Main-railway station as well as Central Bus Stand (Sindhi Camp) of Jaipur. Airport (located at Sanganer) is about 6 kms away from the institute.

Announces

**Short Term Course
on**

**Technical Document
Preparation Using LaTeX**

October 09-13, 2017

Organized by:

**Department of Computer Science &
Engineering**

Malaviya National Institute of Technology
Jaipur-302017

COURSE OVERVIEW

Good documentation constitutes an essential part of the quality assurance of any research work. LaTeX is an open source document preparation system with high-quality typesetting. It is often used for technical or scientific document preparation, and moreover, can also be used for any form of publishing. The course is planned as a pure hands-on short term training programme with emphasis on enhancing the research document preparation and presentation skills.

COURSE CONTENTS

- Introduction to LaTeX and
- Document Formatting
- Tables, Figures and Algorithms
- Mathematical equation editing, theorem, proof, citation
- Preparation of References/Bibliography, Table of Contents
- Preparation of report, journal/conference paper
- Case Study - MiKTeX, TeXnic Center
- Preparation of slides preparation using Beamer
